One Heart for Women and Children's mission is to educate, empower and mentor women, children and their families as they transition through struggles in their life. We provide food, clothing and other needed resources to help safely support them. We have ongoing community outreach projects that we invite our fellow community members to join as often as possible.

- I would like to donate \$ \_\_\_\_\_ to One Heart to support their mission.
- I would like to schedule a pickup for items for the One Heart Thrift Shop.
- I would like to learn more about Volunteering at One Heart.
- I would like to schedule a time for Stephanie to come and talk to my office/organization about One Heart and how we can help.
